Bryan,

Attached is the public notice for our special weight restrictions for mud season. I have tailored both the Notice and Newspaper Ad after what we have done for the past several years. I also have to register with the DMV by February 10th. I am going to go on and add them to the DMV website sometime before the 10th. If there are any changes I can update them. This is an area where in years past the selectboard has been approved. Unclear if they are responsible to approve the restrictions or yourself.

Dale and I have agreed to start the restrictions for March 14th of this year and as always they lift on May 15th or when the posting signs are removed.

Thanks,  
Nathan

#### 2. Public Comment

21

No public comment.

22

23

#### 3. Introduction of Town Manager Bryan Gazda

24

Nick Clark introduced Bryan Gazda, Thetford's new Town Manager. Bryan said during his first day in office he has been meeting employees and doing paperwork. His is looking forward to meeting everyone and getting to know the community.

25

26

27

28

#### 4. Discussion of the Civic Pride Award

29

Nick suggested a quick discussion on the Civic Pride award, which is usually announced on Town Meeting day. Usually nominations are submitted during February, and a notice will go out encouraging people to send in candidates. The decision cannot be discussed in executive session, which makes discussion a little awkward but are there any questions or comments about process. The Selectboard will make the decision at the February 22<sup>nd</sup> meeting.

33

34

35

#### 5. Draft Town Report

36

Nick said the order of budget pages is different than the budget summary page.

37

Tracy Borst noted that one of the charts is in the report twice.

38

Nick asked for the auditor's report.

1       **6. Possible signage for Tucker Hill Road covered bridge (“ Sayre Bridge, circa 1840”)**

2 Katherine Babbott said she and Sally Whitlock, along with the Historic Society have been  
3 discussing the possibility of a sign for the covered bridge on Tucker Hill Road. She had noticed  
4 the sign on the Union Village bridge and thought it would be nice to have one that matched for  
5 the Tucker Hill Road bridge. Katherine asked the Selectboard if they would support the sign, and  
6 if so, what would their recommendation be for the wording, Thetford Center or Thetford Center  
7 Vermont. The wording on the Union Village bridge is “Union Village Bridge – rebuilt 2002”.  
8 The thought for wording on this would be “Sayre Bridge”, and either Thetford Center or  
9 Thetford Center VT.

10 This project would be funded through donations or grants. Katherine said they have asked the  
11 Historic Society if they would be willing to accept the donation checks.

12 Mary Bryant supports the idea and would be fine with just Thetford Center on it. Mary thanked  
13 Katherine for doing the work and for Sally helping to do the historical part of it.

14 Sharon Harkay thought the sign might look cleaner with just Thetford Center but said there are a  
15 lot of people who take photos of themselves in front of the bridge, so perhaps Vermont should be  
16 included.

17 Katherine said they have contacted Sparky Potter and Wood & Wood Designs in Wakefield.

18 Each sign would be about \$750. There are two styles; the Union Village sign has stick-on letters  
19 and will last between 5 to 10 years, and painted signs which will last between 10 to 20 years with  
20 a price difference of \$200. Katherine would rather fundraise for the additional money for painted  
21 letters.

22 Alexis Jetter gave a little bit of history about the bridge which she learned when she wrote two  
23 stories about the miraculous rescue of the bridge.

24 Li Shen said she has no feelings one way or the other about Vermont being on or off the sign, but  
25 it might be nice for the tourists.

26 Nick said he is fine either way and suggested that the Selectboard let Katherine and Sally make  
27 the decision. Nick said Town Manager should make the decisions about who will mount the sign.

28 **Motion** by Nick Clark to authorize Katherine Babbott and Sally Whitlock to accept a sign design  
29 for the Tucker Hill Road covered bridge. **VOTE unanimous (5-0-0)**

30  
31       **7. Reading and possible adoption of the Ordinance Regulating Dangerous or Unsafe**  
32       **Buildings**

33 Nick said there will be a 60-day window after the Selectboard adopts the ordinance before it goes  
34 into effect.

35 Mary Bryant said she has looked at similar ordinances from other towns and thought this one  
36 may be missing some opportunities. She noted definitions that included blighted premises,  
37 attracting illegal activity, fire hazard, garbage and trash that could be harmful to children, old  
38 cars and other hazardous conditions.

39 Nick said that blight is usually covered in a separate ordinance, and he has heard the Planning  
40 Commission discuss it several times.

41 Li, who is the Planning Commission liaison, said they had been talking about a blight ordinance  
42 but ran into objections to the strong stigma to the word blight. She will ask them about it. Li said  
43 that people have expressed concerns about an overuse of an ordinance like this.

44 Mary Bryant said one enforcement option she read about included a 72-hour notice of inspection  
45 to the property owner.

46 There was discussion about mailing a notice or having it served by law enforcement.

1 Bryan Gazda suggested both a certified letter and have it served, but he will look into it a little  
2 more. He will be meeting with the Health Officer and will bring up issues such as rodent  
3 infestation, which doesn't necessarily mean an unsafe building.

4 Chief Evans expressed concerns that the implication of the ordinance was that Town officials  
5 would enter a person's property to inspect it. That would require an administrative search  
6 warrant, as the 4<sup>th</sup> amendment protects people from inspections from the government. Chief  
7 Evans suggested wording to make it clear that the owners need to consent to an inspection, or a  
8 search warrant is needed.

9 Nick said there has been an ordinance for a while, but it is difficult to enforce because it calls for  
10 an appointed building inspector which we have never had. This language makes it the  
11 responsibility of the Town Manager.

12 Tom Yennerell added that if someone refuses once the building has been entered and determined  
13 that it is unsafe and needs to be demolished, they can be taken to Superior Court. Tom said  
14 structural engineers would write a report that could be submitted as evidence.

15 There was continuing discussion about adding language about obtaining permission from the  
16 property owner.

17 Bryan said that no additional language is really needed, as this is an administrative process.

18 Mary said she assumed if a landowner is asked to take something down that they would have to  
19 pay.

20 Nick said if a landowner refused, if they refused, the town could do it and put a lien against their  
21 property.

22 Mary said that was concerning because people do not always have the financial means to do that.

23 Katherine Babbott wondered if the local fire department could use a building like that for  
24 training.

25 Chief Evans said there are environmental regulations which may preclude that.

26 Bryan said the first step is to reach out to the property owner for compliance, then you would  
27 look at legal remedies.

28 **Motion** by Nick Clark to adopt the Ordinance Regulating Dangerous or Unsafe Buildings as  
29 presented.

30 Alexis Jetter said she felt it was important to take a step back and look at the times we are in, that  
31 of all times to be imposing on people the destruction of the house that they live in. It's a time to  
32 think twice about that.

33 Sharon Harkay responded that this ordinance is to assess buildings that are dangerous to the  
34 larger community.

35 **VOTE by roll call:** Li Shen – in favor, Steve Tofel – in favor, Mary Bryant – in favor, Sharon  
36 Harkay – in favor, Nick Clark – in favor

37 Nick said the Selectboard will need to stop by Town Hall to sign the ordinance.  
38

#### 39 **8. Approval of Driveway Permit**

9       **Motion** by Li Shen to approve the Selectboard meeting minutes of January 25, 2021, as  
10 amended. **VOTE unanimous (4-0-0)**

11  
12       **10. Real estate negotiations relating to the Town Forest, anticipated Executive Session,**  
13       **1 V.S.A. § 313(a)(2)**

14       Nick Clark **moved** to find that premature, general public discussion of a real estate negotiation  
15 would clearly place the municipality, other public body or person involved to suffer a substantial  
16 disadvantage. **VOTE unanimous (4-0-0)**

17       **Motion** by Nick Clark at 8:25 pm to discuss these matters in an Executive Session per  
18 *Discussion of Matters as per 1V.S.A., subsection 313(a)(2)* and invite Bryan Gazda and Tom  
19 Yennerell. **VOTE unanimous (4-0-0)**
