

Thetford Housing Committee Spring 2023 questionnaire

Hello! We're conducting this informal survey to engage with you on Housing issues. The Committee meets each month and discusses everything from anecdotal information about the housing crisis to new regulations and legislation affecting state and regional housing situations. We hardly ever have non-committee or non-partner committee members at our meetings, so this is a way to hear what you're thinking!

Thank you for completing this questionnaire! Sarah Martel, Pippa Drew, Missy Krzal, and Cathee Clement

Please check out our committee website for lots of housing related information at www.thetfordvt.gov
